

VISION *of* VICTORY

MAY
5&6
2018

"Where there is no vision, the people perish"

Proverbs 29:18

Our mission at Victory Church is **“Building the Church, and Blessing the World!** Jesus is only building one thing—the Church! Together as the Church we are called to bring the goodness of God to the world! Victory Church **continues to grow** as we focus on our mission, and the four aspects of our vision—knowing God, finding freedom, discovering our purpose, and making a difference!

As we grow spiritually and numerically, that growth physically means facility upgrades, modernization, and improvements are needed to keep up and to meet the needs of the people and our community!

Our annual **“Vision of Victory”** is when we ask everyone to give their **best offering of the year!** These gifts help us continue to passionately pursue the vision God has given Victory Church!

For 2018 we are continuing to raise funds to pay for...

- **our updated youth center kitchen**
- **updating and refreshing the paint and decor of the entire youth center.** (It gets a lot of use!)
- **installing a modular building behind the church to hold offices** so we can **remodel the entire lower level for more children’s space!**
- *Our permits are pulled, approved and paid for on these first three!*
- **PLUS expansion of the main women’s restroom, the addition of a family bathroom, upgrading tech in youth and Kidz Planet, seal our new parking lot** and more!

Through your giving we will keep the “Vision of Victory” moving forward so we can reach more people for Jesus!

Please be praying about how God can use **YOU** to **“Make a Difference”!**

**Giving cards are in the chairbacks or
give online at vict.ch/vov18**
