

Water Baptism Information and Instructions

We are so excited for you as you step into the great experience of Water Baptism as a follower of Jesus!

Here's the instructions and information you will need if you haven't received this yet...

- Make sure you know the date of your baptism. We do water baptisms on Saturday nights as part of our Saturday Night Service (6pm). The upcoming date is always on our calendar at victorychurch.com, and in our current Bulletin. If you are unsure of the date, just call our office at 636.475.3000 or email us at office@victorychurch.com and we can verify it for you!
- A special t-shirt will be provided for you to be baptized in. You may keep this shirt as a gift. Pick-up your shirt from the table in the lobby as soon as you arrive at church. Please try it on to be sure it fits. If it doesn't fit, simply return the shirt to the table and take the size you need. You may use the restrooms for changing. You may wear this shirt during the service.
- Bring the rest of your baptism clothes, and a towel, with you to church.
- Men need to wear lined swim trunks or nylon shorts.
- Ladies need to wear a swimsuit under their t-shirt and nylon shorts.
- Do not wear heavy pants such as jeans, corduroys, or pants with large pockets. These types of pants hold too much water and create a mess.
- Remove all loose jewelry, watches, glasses or anything else that may get damaged or come off as you are baptized.
- You will be dismissed after the pastors message to meet one of our pastors in the lobby for further instructions. Then everyone being baptized will come in together shortly after that.
- After you have been baptized you may use the restrooms again for changing your clothes.
- If for some reason you should have to cancel your baptism, please promptly call the church office at 636-475-3000.

God's blessings to you as you take this powerful step in following Jesus!
